<b>40-101 GENERAL POLICIES AND PRINCIPLES</b>	<b>40-101</b>
---	---------------

.1 General Policies and Principles

Assistance is to be administered in a manner which is consistent with and will help achieve basic program purposes; which respects individual rights under the U. S. Constitution, State and Federal laws which does not violate individual privacy or personal dignity.

The following policies and principles govern the delivery of public assistance:

- .11 Assistance is to be administered promptly and humanely, with due regard to the preservation of family life and without discrimination on account of race, color, national origin, religion, political affiliation, sex or marital status. (See Division 21.) Assistance is to be so administered as to encourage self-respect, self-reliance, and the desire to be a good citizen useful to society.
- .12 It is the responsibility on all who are concerned with the administration of aid to do so with courtesy, consideration, and respect toward applicants and recipients and without attempting to elicit any unnecessary information. Administrative duties should be performed in such a manner as to secure for every applicant and recipient the amount of aid to which he or she is entitled under the law.
- .13 All applications and records are confidential and not open to examination for any purpose not directly connected with the administration of these programs (see Division 19).
- .14 The provisions of the law relating to public assistance are to be fairly and equitably construed.
- .15 Aid is to be provided to every applicant in his or her own home or in some other suitable home of his or her own choosing in preference to placement in an institution.
- .16 There is to be no question, inquiry, or recommendation relating to the political or religious opinions or affiliations of an applicant or recipient.
- .17 Applications for public assistance are to be reviewed promptly in accord with regulations prescribed by the State Department of Social Services, and when appropriate, with regulations prescribed by the State Department of Health Services.

<b>40-103</b>	<b>DEFINITIONS AND DESIGNATIONS - GENERAL</b>	<b>40-103</b>
---------------	---	---------------

- .1 Public Social Services (See definition in Section 11-003.1.)
- .2 Services (See definition in Section 10-010(j).)
- .3 Aid
  - .31 Cash grant for maintenance needs and medical assistance under the California Medical Assistance Program.
  - .32 Medical Assistance only for others who are determined eligible under the California Medical Assistance Program. Aid is not interrupted by a change in recipient status from a cash grant to medically needy individual or family under the same program. The change requires no new application.
- .4 Applications for Aid

An application is a request for aid in writing made to the county welfare department on the SAWS 1 (Rev. 9/90) either by the applicant or on his or her behalf.

Applications are as follows:

- .41 New -- The applicant has not previously applied for the same aid in the same county.
- .42 Restoration -- The applicant was a recipient of the same category of aid in the same county and his or her grant has been discontinued for 12 months or less at the time of the current application. See Section 40-125.9 Request for Restoration of Aid.
- .43 Reapplication
  - .431 The applicant's previous application for the same aid in the same county was withdrawn or denied, or
  - .432 The applicant is a former recipient of the same aid in the same county whose grant has been discontinued for more than 12 months at the time of the current application.
- .44 Appropriate Action on an Application -- Appropriate action on an application includes authorization of a cash grant and certification for medical assistance to persons determined to be eligible; certification as a medically needy person or family eligible for medical assistance, or such other disposition as is indicated by the investigation, i.e., denial, cancellation, etc. (See Section 40-171.)

<b>40-103</b>	<b>DEFINITIONS AND DESIGNATIONS - GENERAL (Continued)</b>	<b>40-103</b>
---------------	---	---------------

- .5 Repealed by Manual Letter No. EAS-91-14, effective 10/1/91.
- .6 Inquiries -- An inquiry is a request for information or a general request which is not an application. It is usually made without the individual indicating he/she is in need. It may include a request for information from a potential applicant or any other person or agency who desires information regarding public assistance, eligibility requirements, points of agency policy, etc.
- .7 Repealed by Manual Letter No. EAS-91-14, effective 10/1/91.
- .8 Aid Programs
- The aid programs in these regulations are defined in terms of basic program purposes as follows:
- .81 Has been deleted.
- .82 Repealed by Manual Letter No. EAS-86-01 (effective 1/17/86).
- .83 Has been deleted.
- .84 Repealed by Manual Letter No. EAS-91-14, effective 10/1/91.
- .85 Medical Assistance Program -- to provide health care services on an individualized basis for recipients of aid under the assistance programs under Section .81 through .84 above and to other eligible persons thus promoting better health for those persons who are unable to pay in full for the cost of their medical care. Requirements and definitions for the California Medical Assistance Program are set forth in Medical Assistance Regulations, Title 22, California Administrative Code, Division 3.
- .86 State Supplemental Program -- to provide money payments to eligible aged, blind, or disabled California residents. (See Division 46.)
- .9 IEVS - Means the Income and Eligibility Verification System. (See Section 20-006.1.)

NOTE: Authority cited: Sections 10553, 10554, and 10604, Welfare and Institutions Code. Reference: Sections 10553, 10554, 10604, and 11056, Welfare and Institutions Code; and 45 CFR 206.10(a)(1)(ii).

<b>40-105</b>	<b>APPLICANT AND RECIPIENT RESPONSIBILITY</b>	<b>40-105</b>
---------------	---	---------------

.1 Assuming Responsibility Within His/Her Capabilities

During the determination of initial and continuing eligibility, the applicant or recipient shall assume as much responsibility as he/she can within his/her physical, emotional, educational, or other limitations. Within his/her capabilities, the applicant/recipient is responsible for:

- .11 Completing or participating in the completion of all documents required in the application process or in the determination of continuing eligibility.
- .12 Making available to the county all documents that are in his/her possession or available to him/her which are needed to determine eligibility or ineligibility.
- .13 Reporting all facts known to him/her which he/she believes to be material to his/her eligibility or which the county has identified to him/her as affecting eligibility.
- .14 Reporting, within five calendar days of the occurrence, any change in any of these facts (see Sections 40-181.11 and 44-315.71).
- .15 Cooperating in a quality control review. Cooperation includes, but is not limited to, attending a personal interview with the quality control reviewer and answering questions and providing information necessary to complete the quality control review.

- .16 Identifying any third party who may be liable for care and services available under the state's Title XIX state plan on behalf of the applicant/recipient or any other family member required to be in the AU under Section 82-820.3.
- .161 Applicants and recipients may be exempted from cooperation requirements under certain circumstances as specified in Section 82-512.

---------------	---	---------------

.2 Social Security Number (SSN)

.21 As a condition of eligibility, each AFDC-FG and U applicant or recipient member of the AU shall:

.211 Furnish his/her Social Security Account Number (SSN) or numbers, if more than one, within 30 days following the date of the application for assistance; or

.212 If he/she cannot furnish an SSN:

(a) apply directly to a local office of the Social Security Administration (SSA); and submit verification of such completed application to the county within 30 days following the date of application for assistance before aid may be authorized. A completed application means an application that has been accepted by the SSA for processing; and,

(b) furnish the SSN to the county when received.

(c) See .221 below for a child(ren) who has been enumerated at birth through the Enumeration at Birth (EAB) Project.

.22 Verification of a completed SSN application on behalf of a newborn child(ren) to be added to the AU shall be submitted to the county no later than the last day of the month following the month in which the mother is released from the hospital.

.221 When a newborn child has been enumerated at birth, Form SSA 2853 is acceptable proof of application if it contains the name of the newborn, as well as the date and signature of an authorized hospital official.

(a) The SSN shall be furnished to the county within six months after receipt of the number or at redetermination, whichever occurs first.

---

**HANDBOOK BEGINS HERE**

---

- .222 (a) Example: Mother was discharged from the hospital on February 15, she has through March 31 to apply for an SSN for the newborn and submit verification of a completed application.
- (b) Example: Mother gave birth on May 8, but was not released from the hospital until May 20. She reported the birth of the child on the May CA 7 requesting that the child be added to her grant. The time period to apply for an SSN for the child and submit verification of a completed application to the CWD begins on May 21 and ends on June 30.
- (c) Example: Same scenario as above, but the mother remained in the hospital until June 2 due to complications. She has through July 31 to apply for an SSN for the child and submit verification of a completed application.
- (d) NOTE: For further information, see "Beginning Date of Aid", Section 44-317.

---

**HANDBOOK ENDS HERE**

---

- .23 An applicant/recipient is ineligible for aid if he/she refuses to comply with the requirements of .21 above. Where the refusal relates to an otherwise eligible child, that child is ineligible for aid. (See Section 82-832.24.)
- .24 As a condition of eligibility, each AFDC-FC applicant or recipient shall have an SSN.
- .241 For children applying for or receiving AFDC-FC, where a parent(s), legal guardian, or relative, is not available or not cooperating, the placing agency representative, on behalf of the child shall obtain or make application for the SSN.
- (a) To satisfy the requirement specified in .24 above when the absence of identifying information prevents the placing agency representative from obtaining an SSN for an abandoned child, the eligibility case file shall contain documentation of the attempt to apply for an SSN for the child, including the date the attempt was made, and the reason the attempt was unsuccessful.
- .25 As a condition of eligibility, applicants for and recipients of AFDC shall cooperate in resolving any discrepancies regarding SSNs, such as discrepancies arising from a cross-check of agency SSN files with those of the SSA. When there is a failure to cooperate, aid shall be denied or discontinued only for the member(s) of the AU whose SSN(s) is in question.

<b>40-105</b>	<b>APPLICANT AND RECIPIENT RESPONSIBILITY (Continued)</b>	<b>40-105</b>
---------------	---	---------------

- .251 Once a recipient has been discontinued for not cooperating, aid may not be granted until the recipient has demonstrated that he/she is cooperating.
- .3 Statewide Fingerprint Imaging System (SFIS) Requirements
  - .31 As a condition of eligibility, persons listed in Section 40-105.32 must supply through the SFIS two fingerprint images and a photo image at the time of application. Failure to provide the required images will result in ineligibility for the entire assistance unit.
  - .32 The following persons must provide fingerprint and photo images:
    - .321 Each parent and/or caretaker relative of an aided or applicant child when living in the home of the child; and
    - .322 Each parent and/or caretaker relative receiving or applying for aid on the basis of an unaided excluded child; and
    - .323 Each aided or applicant adult; and
    - .324 The aided or applicant pregnant woman in an AU consisting of the woman only.
  - .33 The following persons are exempted from the rule in Section 40-105.32:
    - .331 The following persons shall be temporarily excused for a period of not more than 60 days:
      - (a) Persons with both hands damaged so as to preclude fingerprint imaging shall be excused from fingerprint imaging. A photo image will be taken as part of the normal SFIS process.
      - (b) Persons with other medically verified physical conditions which preclude them from coming into the office shall be excused from fingerprint and photo imaging.
    - .332 Persons missing all ten fingers shall be permanently excused from fingerprint imaging. A photo image will be taken as part of the normal SFIS process.
  - .34 SFIS information shall be considered confidential under Section 10850 of the Welfare and Institutions Code.

<b>40-105</b>	<b>APPLICANT AND RECIPIENT RESPONSIBILITY (Continued)</b>	<b>40-105</b>
---------------	---	---------------

- .341 The county shall not use or disclose the data collected for any purpose other than the prevention or prosecution of fraud.
  - .342 The county shall inform all persons required to provide fingerprint and photo images that the images will be used only for the purpose of prevention or prosecution of welfare fraud.
  - .35 The county shall not deny aid to an otherwise eligible AU because of technical problems with the SFIS.
  - .351 The applicant/recipient must agree to complete the process at a mutually agreed upon time within 60 days of the initial attempt.
- .4 Immunization Requirements
- (a) All applicants/recipients shall provide verification, as specified in Section 40-105.4(d), that all children under the age of six in the AU have received all age-appropriate immunizations.

---

---

**HANDBOOK BEGINS HERE**

---

---

- (1) Applicants/recipients who have made a good faith effort to initiate immunizations for a child(ren) in the AU, but the child(ren) cannot complete the series because of a spacing requirement between vaccine doses, may be considered at that point to have received "all age-appropriate immunizations." Good faith effort may also apply in cases where the vaccine, such as varicella virus vaccine, (chicken pox), is not available.

(b) Age-Appropriate Immunizations

The age-appropriate immunizations for children under the age of six and for children not immunized in the first year of life that are listed in the following two charts are those suggested by the Childhood Immunization Schedule (United States), by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians and are described in Welfare and Institutions Code Section 11265.8(b)(1). These charts are provided as an aid to the county in complying with the verification requirement of MPP Section 40-105.4(a) and are not intended to be mandatory in every case. Rather, they are recommended guidelines that would be applied as appropriate by each child's medical care provider.

- (2) This schedule is recommended for children who have not received any immunizations in the first year of life. If the child has received some, but not all, of the recommended immunizations by his or her first birthday, the recommended schedule will depend on which immunizations the child is missing and the child's age. A health care provider should be consulted to determine the appropriate immunizations. After these immunizations have been completed, refer to Schedule I for immunizations to be completed.

(c) Informing Requirements

At the time of application and at redetermination, all applicants and recipients shall receive a notice informing them of their obligation to secure age-appropriate immunizations for all children in the AU under the age of six.

- (1) The notice shall inform them of:
  - (A) Their obligation to secure immunizations for all children in the AU under the age of six and the penalty for failure to comply;
  - (B) The age-appropriate immunizations;
  - (C) Their right to file an affidavit claiming that immunizations are contrary to their personal and/or religious beliefs or for medical reasons; and
  - (D) How immunizations may be obtained through a fee-for-service provider that accepts Medi-Cal, a Medi-Cal managed care plan, a county public health clinic, or any other source that may be available to the county as appropriate.

(d) Verification

As specified in Section 40-105.4(e), verification of immunization is required at initial application, when adding a child under the age of six to the AU, and at redetermination. Verification of immunizations, as defined by the county, must be submitted until the child(ren) completes all age-appropriate immunizations or the child(ren) reaches the age of six. For intercounty transfer cases, an applicant/recipient, who has submitted verification of age-appropriate immunizations in the first county and that county has determined it to be adequate, shall not be required to resubmit duplicate verification in the second county. See Section 40-188.136.

(e) Time Frames

Applicants/recipients shall provide verification of immunization for all children in the AU under the age of six as follows:

- (1) Applicants, if applying for CalWORKs and Medi-Cal simultaneously, within 30 days of determination of eligibility for Medi-Cal; or, if applying for CalWORKs and already receiving Medi-Cal benefits, within 45 days;
- (2) Recipients, within 45 days of redetermination of eligibility; or
- (3) Children under the age of six being added to the AU if applying for CalWORKs and Medi-Cal simultaneously, within 30 days of determination of eligibility for Medi-Cal; or, if applying for CalWORKs and already receiving Medi-Cal benefits, within 45 days.

**This page is intentionally left blank.**

---------------	---	---------------

(f) Exemptions

The immunization requirement does not apply if the parent(s)/caretaker relative submits:

- (1) An affidavit stating that the immunization requirement is contrary to his/her personal/religious beliefs and the reasons for his/her objection.
- (2) A written statement from a physician or health professional working under the supervision of the physician, stating that the child should not be immunized, which includes the prohibitive medical condition and the duration.

(g) Failure to Cooperate

If an applicant/recipient fails to submit timely verification of immunization of any child(ren) in the AU under the age of six (see Section 40-105.4(d)) and does not qualify for an exemption or have good cause (see Section 40-105.4(i)), the grant shall be reduced by the amount (MAP) allowed for the needs, as specified in Section 44-315.311, of the parent(s)/caretaker relative in the AU.

<b>40-107</b>	<b>COUNTY RESPONSIBILITY</b>	<b>40-107</b>
---------------	------------------------------	---------------

.1 Assisting the Applicant

The county is responsible for assisting applicants or recipients in understanding their rights and responsibilities in relation to application for aid; for evaluating the capacity of the applicants or recipients to discharge their responsibilities as set forth in Section 40-105; for assisting them as needed in establishing their eligibility and helping them to realize the maximum personal independence of which they are capable, including self-care and self-maintenance.

.11 The applicant shall be informed at the time of application that the law requires furnishing an SSN (Section 40-105) and assignment of accrued support rights (Section 43-106) as conditions of eligibility. The applicant/recipient shall also be informed, in writing, at the time of application or redetermination, that the law requires cooperation in establishing paternity and securing support rights (Section 43-201) as conditions of eligibility.

.111 The county shall notify the applicant or recipient by means of the prescribed form of the right to claim good cause as an exception to the cooperation requirements.

- .15 Applicants shall be informed:
  - .151 that they may apply for food stamps at the same time as they apply for AFDC.

<b>40-107</b>	<b>COUNTY RESPONSIBILITY (Continued)</b>	<b>40-107</b>

  - .181 Applicants, upon application, but not later than 30 days from the determination of eligibility for aid; and
  - .182 Recipients, at redetermination, but not later than 30 days after being informed in accordance with Section 40-107.16.

.2 Arrangement for Substitute Payee, Guardian or Conservator

When there is a need for a person to act as a substitute payee on behalf of a recipient or when there is need for protection in the form of a guardian or conservator for the recipient, the county is responsible for assisting in the development of a satisfactory plan.

In planning for selection and appointment of someone to act in behalf of a recipient as a substitute payee, guardian or conservator, every effort must be made to protect the interests of the recipient and to avoid any possible conflict of interest. The recipient has the right to select the substitute payee, guardian or conservator to the extent of his/her capability.

Aid may be paid on behalf of the recipient to such substitute payee, guardian or conservator subject to the requirements and limitations specified below and in Sections 44-303, 44-309, and 44-310.

<b>40-107</b>	<b>COUNTY RESPONSIBILITY (Continued)</b>	<b>40-107</b>
---------------	--	---------------

.21 Substitute Payees

Because of the potential conflict of interest, aid payment may not be made on behalf of an individual to a person serving as substitute payee, if such person is also the administrator, operator or fiscal agent of a public or private facility providing care to the individual. A substitute payee also may not include the executive head of the agency administering public assistance, the person determining income eligibility for the family, special investigative or resource staff, or staff handling fiscal processes related to the recipient, landlords, grocers, or other vendors of goods or services dealing directly with the recipient.

If it appears to be in the best interest of the individual, a staff person, preferably in a unit or division of the county welfare department or State Department of Health, Community Services Section, which is responsible for providing protective services, may serve as a substitute payee for the recipient. However, the county is responsible for taking all necessary precautions to prevent either potential or actual conflict of interest.

.22 Guardian or Conservator

When there is need for protection of a recipient in the form of a guardian or conservator the county is responsible for assisting in the development of a satisfactory plan which includes initiating the necessary procedures for appointment of a guardian or conservator.

Because of the potential conflict of interest, a staff person may not serve as guardian or conservator of the recipient unless the appointment is based on a close personal relationship with the client which makes the staff member the most suitable guardian or conservator. If the guardian is guardian of the person only, (and not guardian of the estate) however, a staff person may serve as the guardian.

.3 Eligibility Determination

The county is responsible for determining that the applicant or recipient meets the requirements of all necessary eligibility factors. This determination shall be based upon an evaluation of all available evidence. The gathering of such evidence and the determination of eligibility shall be a separate operation from and precede that of computing the amount of grant an eligible applicant is entitled to receive. This section is not meant to prevent the county from granting immediate need under Section 40-129. The factors to be considered in determining eligibility are as follows:

.31 Linking Eligibility Factors -- Definition

Linking eligibility factors are those single conditions that link an applicant to a categorical aid program. These factors are: blindness and deprivation of parental care or support.

<b>40-107</b>	<b>COUNTY RESPONSIBILITY (Continued)</b>	<b>40-107</b>
---------------	--	---------------

.32 Nonlinking Eligibility Factors -- Definition

Nonlinking eligibility factors are those factors that establish whether an applicant is entitled to assistance under the program to which he is linked. Although the categorical aid programs have these nonlinking eligibility factors in common, the standards differ. The nonlinking eligibility factors are: age, property, residence, financial status and institutional status.

.4 Grant Determination

Once the applicant's eligibility is established, the county is responsible for determining the applicant's financial and medical needs. The county is further responsible for developing and carrying out plans for meeting such needs within the limitations of the W&IC, the Regulations of the State Department of Social Services and the Department of Health.

.5 Notification of the Right to a State Hearing

At the time aid is granted or denied and whenever there is a change in eligibility or amount of payment, the applicant or recipient shall be advised of the right to request a state hearing. If the applicant or recipient expresses dissatisfaction, the county shall make every effort to resolve the problem. However, if the applicant or recipient chooses to have a state hearing, the county shall assist the individual in preparation of the state hearing request, and advise the applicant or recipient of the right to be represented by counsel or other authorized representatives as set forth in Chapter 22-000.

.6 Provision of Informational Materials

.61 Informational materials required by DSS shall either be given to applicants during the application interview or mailed with Notice of Action forms approving or restoring AFDC grants or Certifications for Medical Assistance (see 40-171.21).

.611 For AFDC-FG/U, brochures describing benefits available under the Child Health and Disability Prevention (CHDP) program and how and where these benefits are provided within the county shall be given to the applicant during the application interview. Provision of CHDP informational materials shall be documented by notation upon the CA 2 form.

.612 For AFDC-FC, the placement worker shall assess the applicant child's need for CHDP services, and shall provide information to the foster care provider and/or, as appropriate, to the child. Provision of CHDP informational material shall be documented in the service case record, as specified in Section 30-209.66.

<b>40-107</b>	<b>COUNTY RESPONSIBILITY (Continued)</b>	<b>40-107</b>
---------------	--	---------------

.62 The CWD shall inform all AFDC applicants/recipients of the availability of family planning services. For those AFDC applicants/recipients who voluntarily request such services, the CWD shall provide information and referral for family planning services. (See Section 40-131.3(h).)

.621 The CWD shall designate personnel who shall:

- (a) Be generally knowledgeable in the area of family planning.
- (b) Be responsible for the coordination of family planning services activities within the CWD and with family planning resources outside of the CWD.

.622 The CWD shall display in waiting rooms and make available to AFDC applicants/recipients, copies of notices, pamphlets and other written materials which contain information concerning the availability of family planning services.

.623 The CWD shall ensure that written notice of the availability of family planning services is sent to: (1) applicants for AFDC upon denial of AFDC benefits; or (2) all AFDC recipients upon termination of AFDC benefits.

.7 Social Security Number

.71 SSNs shall be confirmed by viewing SSN cards or SSA's form series OA-702. Any one of the following shall be acceptable evidence if the SSN card or SSA's form series OA-702 is not available:

.711 An award letter, Medicare card or a check from the SSA showing the applicant/recipient's name and SSN with the letters A, HA, J, T, or M following the SSN.

.712 Other documentation from the SSA upon approval by the Department.

.713 When an SSN card or other acceptable evidence is not available, the county shall accept the furnished SSN pending verification of the number through IEVS in accordance with .72 of this section.

.714 For those individuals who are unable to provide an SSN, the county shall assist the applicant by referring him/her to the local office of the SSA. This requirement may be met by furnishing the applicant with a referral notice, such as the SSA Referral Notice, form MC 194, or by providing the address of the local SSA office.

<b>40-107</b>	<b>COUNTY RESPONSIBILITY (Continued)</b>	<b>40-107</b>
---------------	--	---------------

- .715 The county shall deny the application for assistance for any individual who refuses or fails to provide either an SSN or verification that an application for an SSN was completed within 30 days after the date of application for assistance. (See Section 82-832.24.)
- (a) If the individual is the only eligible child, and the caretaker relative refuses or fails to provide either an SSN or verification that an application for an SSN was completed within 30 days after the date of the application for assistance, the entire AU is ineligible. (See Section 82-820.2.)
- (b) The county shall discontinue aid for any member of the AU who refuses or fails to furnish the SSN as required in 40-105.212(b) and/or (c).
- .716 The county shall inform the applicant/recipient of his/her responsibilities under this section. If the county receives verification of application directly from the SSA, the requirement in Section 40-105.212(a) is met. If the county receives the SSN directly from the SSA or from another federal or federally assisted program, the requirement in Section 40-105.212(b) is met.
- .717 Counties shall document in the case record the fact that the applicant/recipient submitted a completed application for an SSN and the method of verification.
- .718 The county shall obtain the SSN of a child who has been enumerated at birth within six months after receipt of the number or at redetermination, whichever occurs earlier.
- .72 Aid shall not be denied, delayed, or discontinued pending the issuance or verification of such number or numbers if the applicant/recipient has furnished his/her SSN or has submitted the necessary verification as required in Section 40-105.21. Immediate need cases are subject to the provisions of Section 40-129.214.
- .73 All SSNs shall be verified by SSA through IEVS in accordance with Section 20-006.
- .731 The county shall deny the application or discontinue assistance for any individual who fails to cooperate in resolving a discrepancy between the furnished SSN and SSA files in accordance with the requirement of Section 40-105.25.

<b>40-107</b>	<b>COUNTY RESPONSIBILITY (Continued)</b>	<b>40-107</b>
---------------	--	---------------

.74 In AFDC-FC when there is no identifying information as specified in Section 40-105.241(a), the case file shall be reviewed at redetermination to determine whether any change occurred that would enable the Social Security Administration to issue an SSN. The eligibility worker shall document the date the review was completed and any changes that have occurred. If new information is available, the parent(s), legal guardian, or relative, (if now available and cooperating) or the placing agency representative shall forward the application for an SSN to the Social Security Administration.

.8 WIC Referrals

The county welfare department shall refer all pregnant recipients of aid to a local provider of the Women, Infants, and Children program.

.9 Domestic Abuse

For instructions on addressing domestic abuse, see Section 42-715.

<b>40-109</b>	<b>APPLICANT RIGHTS WITH RESPECT TO APPLICATION FOR AID -</b>	<b>40-109</b>
	<b>GENERAL</b>	

.1 Right to Apply for Aid

Subject to the limitations set forth in Section 40-117, any person has the right to apply for aid, either on his/her own behalf or on behalf of another. An applicant who appears ineligible must still be allowed to exercise his/her right to make an application.

.2 Right to Choose Type of Aid

A person or his/her representative who believes the applicant meets the eligibility requirements for more than one category of aid has the right to choose the type of aid for which he/she will apply. For an exception, see the Diversion Services regulations found at Section 81-215.32. For children in or in need of foster care placement who are eligible to and/or receive AFDC-FC, see Sections 45-202.212(a) and 45-302.1.

<b>40-109</b>	<b>APPLICANT RIGHTS WITH RESPECT TO APPLICATION FOR AID - GENERAL (Continued)</b>	<b>40-109</b>
---------------	---	---------------

.3 Right to be Considered for Another Program

If a recipient becomes ineligible for the type of aid he/she is receiving but appears eligible under another public social service program, his/her request for aid under such other program is to be recorded and any required additional investigation completed promptly so that there will be no interruption in aid payments to him/her (see Section 40-117). If an eligible recipient in one program appears to be eligible for aid in another program and wishes to take advantage of such eligibility, the same procedure shall be followed.

.4 Applicant's Right to Self-Determination

.41 The right to be self-determining is of paramount importance for the individual in clarifying when, how, and what the individual wants for him/herself. However, his/her freedom of choice may be limited by his/her capacity for self-determination and by the function of the agency as expressed in law and regulations.

.42 It is necessary to respect the individual's right to accept or reject what the agency has to offer him/her.

NOTE: Authority cited: Sections 10553 and 10554, Welfare and Institutions Code. Reference: Section 11266.5, Welfare and Institutions Code (Ch. 270, Stats. 1997).

<b>40-115</b>	<b>THE APPLICATION PROCESS</b>	<b>40-115</b>
---------------	--------------------------------	---------------

.1 Purpose

The basic purpose of the application process is to assist the individual in establishing his/her eligibility for aid and services.

.2 Steps in the Application Process

.21 Discussion of Circumstances Leading to Application

.211 The individual with the help of the worker tells why he/she is applying for aid or services, with the worker explaining agency requirements, program limitations, the applicant's rights and responsibilities and what he/she can expect from the agency.

<b>40-115</b>	<b>THE APPLICATION PROCESS (Continued)</b>	<b>40-115</b>
---------------	--	---------------

- .212 If the applicant indicates on the SAWS 1 (Rev. 9/90) that he/she is in immediate need or indicates at any time during the application process that he/she is in an emergency situation where his/her resources are insufficient to meet the cost of the emergency situation, the county at that time shall make a determination of whether immediate need exists. (See Section 40-129, Immediate Need.) "Applicants" under this section include those who do not need to submit an application under Section 40-121.3.
- .213 At the time of application, all applicants shall be informed of the availability of lump-sum diversion services.

.22 Exploration of Eligibility

The applicant will be given a Statement of Facts (JA 2) to complete and sign under penalty of perjury. Acceptable evidence must be obtained concerning the linking and nonlinking factors of eligibility. (See each Eligibility Chapter for what is acceptable evidence.) When such evidence does not exist, the applicant's sworn statement under penalty of perjury will be considered sufficient, except in the areas of verification of U.S. citizenship or alienage status and/or medical verification or pregnancy. See Section 42-433 for verification of citizenship or eligible alien status and 80-300(m)(2) for verification of pregnancy.

- .221 Before additional evidence may be obtained, the applicant must agree to continue the process of attempting to establish his/her eligibility.
- .222 The applicant must participate in the gathering of evidence necessary to make an eligibility determination insofar as he/she has the capacity to do so.
- .223 The principles and methods set forth in 40-157.2 and 40-157.3 shall be observed when obtaining evidence.
- .224 The application process is not complete until all the evidence is in.
- .225 Income and eligibility information shall be requested through IEVS and shall be used, to the extent possible, in the determination of eligibility in accordance with the procedures specified in Sections 20-006.2 and 20-006.4. However, the county shall not delay the determination of eligibility pending receipt of IEVS information if other information establishes the individual's eligibility.
- .226 See Section 42-715 for the treatment of domestic abuse in the application process.

<b>40-115</b>	<b>THE APPLICATION PROCESS (Continued)</b>	<b>40-115</b>
---------------	--	---------------

.23 Determination of Eligibility

.231 If eligibility is clearly established, aid is authorized and the eligible persons are certified for medical assistance.

.232 If it is determined the applicant is ineligible for a cash grant, determination of eligibility or ineligibility for certification as a medically needy person or family is required before action is taken on the application.

.24 Authorization of Assistance

.241 The next step in the application process concerns only approved applications. This step includes the following:

- a. Authorization of assistance to a person who has been determined to be eligible for a cash grant;
- b. The administrative procedure which assures prompt payment to a new recipient; and
- c. Certification for medical assistance.

NOTE: Authority cited: Sections 10553, 10554, and 10604, Welfare and Institutions Code. Reference: 45 CFR 206.10(a)(1)(ii) and Sections 10553, 10554, 10604, 11056, 11266.5 (Ch. 270, Stats. 1997), and 11495.1, Welfare and Institutions Code.

Persons or agencies that may make application for a family or child or pregnant woman may include, but are not limited to:

- .23 The person or agency which placed the child in foster care.
- .24 The representative of a public agency.

For farm laborers applying for AFDC on the basis of part-time employment, if the family has accompanied the employed member to a county, whether or not there is a home base in some other county, the county in which the family is presently located is responsible for accepting the application, determining eligibility, paying aid and providing services until the family returns to their home base, or if they have no home base, until the family remains in one county for a period of time at least 60 days. The employed member need not remain with the family, but may go to work in one or more other counties.

## .2 Definitions

.21 Applicant -- See Section 40-103.5.

.22 County A -- County in which the individual "lives" or where the individual makes his home.

.23 County B -- County in which the individual is physically present when other than the county in which he lives.

.24 Repealed by Manual Letter No. EAS-91-14, effective 10/1/91.

.25 Repealed by Manual Letter No. EAS-91-14, effective 10/1/91.

## .3 Determining County of Responsibility -- County Where Applicant Lives

The county where the applicant is physically present when an application is filed is considered to be the county in which the applicant "lives". This includes an applicant who is a caretaker relative of a child receiving AFDC-FC from a county other than the county in which the caretaker relative lives. Exceptions are specified in Sections .31 and .35. However, counties may, by mutual written agreement, consider for purposes of aid that the applicant "lives" in the county that has jurisdiction of the child receiving foster care.

.31 Applicant in County "B" Maintaining Living Place in County "A"

An applicant in County "B" is considered to live in County "A" if he plans to return to County "A" within 45 days of the date of application and is maintaining a living place in County "A".

.35 Applicant Absent from State Retaining California Residence

An applicant who is absent from the state but retaining California residence is considered to "live" in the county in which he was living immediately prior to leaving the state. (See Sections 40-105 and 40-181.)

.4 Applicant is in County B but lives in County A

.41 Responsibility of County B

County B shall assist in completing the application Form CA 1 and in securing the Statement of Facts (CA 2), and shall also obtain pertinent information and immediately send the application, the Statement of Facts and supporting documents and information to the county in which the applicant lives (County A).

Upon the request of County A, County B shall assist in determining initial and continuing eligibility, developing a service plan, and in providing needed services to the applicant.

When the applicant or recipient in a state hospital is to be released and will reside in a County B (see .32 above), County B shall also upon request of the State Department of Health Services or State Department of Social Services liaison staff, provide any needed assistance to expedite the application process or to determine continuing eligibility. This county shall also assist, as needed, in planning for care of the applicant outside the hospital, keeping County A informed promptly of its activities on behalf of the applicant.

<b>40-125</b>	<b>REAPPLICATIONS, RESTORATIONS, AND COUNTY OF RESPONSIBILITY (Continued)</b>	<b>40-125</b>
---------------	---	---------------

.42 Responsibility of County A

County A shall accept the application, complete the determination of eligibility and grant aid if eligibility is established.

.5 Applicant or Recipient Moves After Signing Application or Requesting Restoration

When an applicant moves from one county to another to make his/her home (see Section 40-189) after application has been signed or restoration requested in the first county, the first county shall complete the determination of eligibility or ineligibility. If eligibility exists, this county shall authorize aid and certify the applicant for medical assistance, or if indicated, certify him/her as a medically needy person eligible for medical assistance. Intercounty transfer is then initiated with the county in which the recipient is making his/her home. (See Section 40-189.)

.51 For cases in which an application has been signed in the first county, and the applicant requests homeless assistance (see Section 44-211.5) in a second county prior to eligibility being established and/or authorization of aid in the first county, the procedure outlined in Section 40-125.5 shall apply. The beginning date of aid shall be the date of application in the first county.

.6 Repealed by Manual Letter No. EAS-91-02, effective 2/1/91.

.7 California Youth Authority Parolees

In AFDC the cost of care of California Youth Authority parolees in foster homes is normally the responsibility of the CYA even though the child may be eligible to AFDC. However, the CYA does not have the means of providing support for the children of a parolee mother even though she is living in a boarding home. In such cases, the county should accept and process the application for the parolee mother's children. If they are found eligible, the caretaker mother is included in the AFDC grant as a needy parent.

Financial responsibility for eligible Youth Authority wards who are living in their own homes or with relative is also carried by the county under the AFDC program.

.8 Child Receiving AFDC-FC

.81 A child residing in a family home or group home as a result of placement by a public agency, or by a private agency which has legal custody because the child has been relinquished to them or a court has given them legal custody, is considered to make his/her home in the county in which the agency is located, regardless of whether the family home or group home is situated in that county.

<b>40-125</b>	<b>REAPPLICATIONS, RESTORATIONS, AND COUNTY OF RESPONSIBILITY (Continued)</b>	<b>40-125</b>
---------------	---	---------------

- .811 For purposes of this section, a public or private agency shall be considered to have placed the child in a family home or group home if the agency:
- a. Actively participated in making the decision as to whether or not the child was to be placed; and
  - b. Initiated the placement of the child, either through direct negotiations with the family home or group home or by requesting help in making the placement from the county in which the family home or group home is located.
- .82 The county of responsibility for a child accepted for voluntary placement by a county welfare department or a licensed public or private adoption agency is the county in which the agency which accepted the voluntary placement is located.
- .83 The agency making or desiring to make a placement in a county other than the one in which the responsible agency is located, may request a service evaluation of the placement home by the county in which the home is located.
- .84 Where an agency has placed a child in foster care, and at time of placement or subsequent thereto a court of competent jurisdiction in a county other than that in which the placing agency is located accepts responsibility for the child, the county shall initiate an intercounty transfer of the child's AFDC-FC case to the county in which the court is located.
- .841 The receiving county accepts responsibility for the child when it receives and files the order to transfer in its respective court.
- .9 Request for Restoration of Aid
- When a county receives a request for restoration of aid, all provisions of Chapter 40-100 shall apply except as modified below.
- .91 The county may require that the applicant complete a new Statement of Facts (CA 2) as specified in Sections 40-115.22 and 40-128.1.
- .911 The county shall determine on a case-by-case basis the need for completion of a new CA 2. Reasons for requesting a new CA 2 may include but are not limited to, the following:

<b>40-125</b>	<b>REAPPLICATIONS, RESTORATIONS, AND COUNTY OF RESPONSIBILITY (Continued)</b>	<b>40-125</b>
---------------	---	---------------

- (a) Circumstances of the applicant have changed in such a way that it is necessary to redetermine eligibility.
  - (b) A periodic redetermination of eligibility is overdue or it would have been due in the month of the request for restoration or in the month immediately following the month of the request for restoration.
- .912 When the county determines that a new CA 2 is required, failure by the applicant to complete the CA 2 shall result in denial of the request for restoration (See Section 40-171.221(d)).
- .92 If the applicant is determined to be eligible within the month following discontinuance, the applicant must provide the Monthly Eligibility Reports (CA 7), to the extent needed for purposes of retrospective grant computation, for the month prior to the last month of aid and for the last month in which the applicant was aided, unless complete CA 7s for these months are in the county's possession. (See Sections 44-313.2 and 44-317.)
  - .921 The CA 7(s) are not required when aid is to be computed prospectively. (See Section 44-313.1.)
  - .922 Repealed by Manual Letter No. EAS-98-03, effective 7/1/98.
- .93 If a former recipient of aid requests restoration within the calendar month following the effective date of discontinuance, the county shall not require him/her to furnish any documentation previously provided to the county except under the following conditions:
  - .931 The documentation is missing from the case record and
  - .932 The documentation affects eligibility or amount of aid for the month of restoration.
- .94 Restorations in the Calendar Month Following a CA 7 Related Discontinuance
  - a. When a recipient who has been discontinued for failure to submit a complete CA 7 requests restoration of AFDC during the calendar month following discontinuance, but after the first working day, the CWD shall determine if the recipient had good cause (Section 40-181.23) for failure to submit a complete report.

<b>40-125</b>	<b>REAPPLICATIONS, RESTORATIONS, AND COUNTY OF RESPONSIBILITY (Continued)</b>	<b>40-125</b>
---------------	---	---------------

- b. If the recipient had good cause for failure to submit a complete report, the discontinuance action shall be rescinded, eligibility redetermined and the grant amount computed based on information contained in the complete CA 7 submitted by the recipient.
- c. If the recipient is not found to have good cause, the CWD shall redetermine eligibility in accordance with Sections 40-125.91 and .92 (Requests for Restorations of Aid).

| .11 Inability to Complete the Determination of Eligibility | Inability to complete the determination of eligibility within the 45-day period shall not be a basis for denying the application unless the delay is caused by the refusal of the applicant to participate in the gathering of evidence in accordance with Section 40-157. (See Section 40-171.11.)
